

For consideration of Agenda 3: To acknowledge the distribution of interim dividend payment**Dividend payment policy**

The Company has the policy to pay the dividend at the rate of not less than 40 percent of net profits after legal reserve, next year capital expenditure, and other reserves (if any) of the Company's separated financial statements. The dividend payment relies on the cash flow, performance, financial structure, investment plans, conditions in any agreements bound by the Company, other forthcoming necessity and suitability, and dividend payment consistency to the shareholders.

However, the Board of Directors' resolution of dividend payment shall be proposed to the Shareholders' Meeting for approval, except for interim dividend payments which the Board of Directors is authorized to approve after having considered that the Company has sufficient profits and cash flow to pay for the interim dividend. The interim dividend payment shall be informed to shareholders in the next Shareholders' Meeting.
